If there are any changes you would like to see in the upcoming year, come to a monthly meeting or let one of the board members know.

HUNTING SEASON

Hunting season is almost here. If you haven't already, it's time to check over your equipment, do some scouting, practice, attend a few 3/D shoots, like those I have listed below. There are also more shoots out there, but those are the ones that are close. Check them out for a fun day of shooting with family and or friends. Also remember Most hunting accidents are caused by falling from tree stands. **Be careful and always wear a safety harness.**

INSTRUCTORS NEEDED

We are in need of more instructors for our youth programs. If anyone would like to be certified let Jesse or John know and we will get a class set up.
