CAMP RIPLEY YOUTH HUNT

This year the youth hunt will be October 11th, 12th, & 13th. If you are a youth (12 to 17 years old at the time of the hunt), or have a youth that age and they would like to have the experience of hunting in the northern woods, with the chance of seeing deer, bear, wolves, porcupines, or other animals not normally seen around here. Need to have an adult mentor 18 or older, have passed firearms safety, and be able to shoot proficiently to put in for this hunt. This hunt is done by the lottery system, but the last few years they have not had enough applicants, so the chance of getting drawn is very good. There are two areas to apply for, Camp Ripley unit 950 or Lake Alexander unit 955. Please specify which unit and make sure that it says

Hunting season is almost here. If you haven't already, it's time to check over your equipment, do some scouting, practice, attend a few 3/D shoots, like those I have listed below. There are also more shoots out there, but those are the ones that are close. Check them out for a fun day of shooting with family and or friends.
